“FRESH FROM THE VALLEY”

Catering Services

Thank you for considering Café Burlington to cater your wedding, business function or intimate dinner party! We pride ourselves in using local, fresh products from the Skagit Valley when possible. Featuring organic products and the very selective use of natural products, not treated with hormones, antibiotics or preservatives, our menu is unique compared to those of other caterers and restaurants.

The main difference is flavor! Organic and natural products have more flavor than processed foods and are much healthier.

The following is a representation of catering engagements we have done in the past. We would be more than happy to design a menu to your specifications....Just Ask!!

Summertime Picnics!!

Café Burlington has all the necessary equipment to serve your outdoor BBQ including portable BBQ grills, ranges, steam tables, salad bars, and beverage service equipment. And boy do we like to grill things! The following are examples of some our past menus:

 **Beer Can Chicken** – Whole chicken, spiced inside and out, then we place a beer can in the chicken and BBQ it. The beer steams the inside of the chicken for a very unique flavor. If you plan on having a lot of kids attend your wedding, we also have “Root Beer Can Chicken”!

 **BBQ Ribs** – We make our own rub and BBQ sauce that is simply delicious!

 **Cedar Plank Salmon** – We purchase Wild Pacific Sockeye Salmon from a local fisherman and grill it on fresh cedar planks.

 **Steaks, Steaks, Steaks** – You choose the cut and we will take it from there. Our favorites include teriyaki marinated New York Strip and Chipolte Onion Filet Mignon.

 **Shish-ka-bobs** – Hawaiian Chicken, Guinness Beef, Lime Marinated Prawns, Vegetarian Medley....the possibilities are endless. This is a really fun wedding menu!

All of these items are paired with a wide variety of vegetables, salads, and fruits *selected just for you!!*
